: Chief, Management Staff

27 April 1954

FROM : Security Office

SUBJECT: Table of Organization

- 1. The following change in our Table of Organization is requested in order to provide a Special Assistant to the Director of Security, CIA. The transfer and upgrading of SSD Pool slot T212.59 (GS-11) to Office of Director of Security (GS-13).
- 2. A classification sheet covering this new position has been submitted and discussed with the Classification and Wage Section, Office of Personnel.
- The requirement of this position has necessitated the assignment of an individual who has been discharging the responsibilities for a period of several months. These responsibilities require certain sensitive research and handling of special assignments for the Security Office, CIA. This research, in many cases, is of such high sensitivity that the conduct of same must be limited. The incumbent must possess a broad knowledge of the domestic and field responsibilities of the Security Office as well as the Agency with respect to methods of operation. He must also be able to condense materials resulting in concise abstracts and summaries upon which recommendations are made.
- Incumbent operates under direct supervision of the Director of Security.

## Office Memorandum • UNITED STATES GOVERNMENT

To : Chief, Management Staff

DATE: 17 May 1954

FROM:

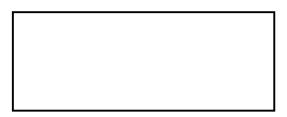

Chief, Budget Division

SUBJECT:

Proposed Revision to the Security

Office Table of Organization

- 1. Reference is made to Memorandum of 27 April 1954 from the Chief of Security in which is requested one GS-13 position to be established as Special Assistant to the Director of Security.
- 2. If this request is granted it will result in the abolishment of one GS-11 position from the SSD Pool. This will not effect the overall ceiling of positions or the total of the Table of Organization for the Security Office, but will merely result in a net increase of \$2,420 per annum which can be absorbed within the funds budgeted for and available to the Security Office.
